Camp this year really took us all to “Infinity and Beyond with Leadership”. I think it’s safe for me to say that we all had an amazing time!

The training sessions went well and I think all the regional officers

learned a lot that they hopefully brought back and shared with some of you. I would like to think that

the con-current sessions we did went well and you

enjoyed them KY FCCLA was also the first group that got to eat in the new cafeteria at Hardinsburg. I

and we hope to see you again next year for camp!

hope everyone had a great time

Eighteen FCCLA members met after school on Wednesday, December 17, 2011 to begin making "Beading to Beat Autism" bracelets. This project was started by 14 year old Michala Riggle. Her mission is to raise \$300,000.00 to build a world-class autism research and treatment center. Michala and her "peeps" have already

reached and gone above and beyond the initial goal of raising \$200,000 for an autism study at Kosair Children's Hospital. FCCLA members hand-beaded each bracelet. Our goal is to make and sell 300 of them! Bracelets will be available during school and basketball games for \$3.00 each. All

proceeds go to the Michala Riggle Beat Autism Foundation, Inc. Please help Michala and FCCLA reach this goal to help kids with autism. Like Michala says "YOU GOTTA BELIEVE!"
